Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach "a clock extraction circuit including a band passing filter having a passing band width which concurrently extracts basic wave components of the oscillation frequency signal of the voltage control oscillator and a harmonic component of a dividing signal of the oscillation frequency signal, for extracting a clock component of the reception signal, and a frequency selection circuit outputting the oscillation frequency signal of the voltage control oscillator of the PLL circuit or a frequency signal obtained by dividing the oscillation frequency in response to a bit rate of the reception signal, as a regeneration clock signal."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Chieh M Fan whose telephone number is (571) 272-3042. The examiner can normally be reached on Monday-Friday 8:00AM-5:30PM, Alternate Fridays off.
